

DATASHEET

Heatbeater™2

HEATBEATER
BY PPE-FACTORY

Lightweight and comfortable glove with a service temperature of up to 600 degrees Celsius.

The 5-finger glove is completely made from heavy-duty para-aramid felt. The glove has a good mechanical resistance and also has a good cut and perforation resistance.

The glove is available in one size (size 11).

We recommend not to wash the glove.

Used palm-side materials:

- Heavy-duty Para-aramid felt
- Light-duty Para-aramid felt

Used materials on the back:

- Heavy-duty Para-aramid felt
