

DATASHEET

Heatbeater™25

HEATBEATER
BY PPE-FACTORY

Lightweight and comfortable glove with a great insulation value and a service temperature of up to 1000 degrees Celsius because of the chain mail palm reinforcement.

The 5-finger glove is made of chain mail, a para-aramid loop knit, heavy-duty para-aramid felt and a cotton loop weave.

The glove has a great mechanical resistance and also has a very good cut and perforation resistance.

The glove is available in one size (size 11).

We recommend not to wash the glove.

Used palm-side materials:

- Chain mail
- Para-aramid loop knit
- Heavy-duty Para-aramid felt
- Cotton loop weave

Used materials on the back:

- Heavy-duty Para-aramid felt
