

Datasheet Heatbeater 5

Lightweight and comfortable mitten with a service temperature up to 600 degrees Celsius and a maximum temperature up to 600 degrees Celsius

The mitten is completely made from heavy-duty para-aramid felt, with an extra liner of light-duty Para-aramid felt.

The mitten has a good mechanical resistance and also has a very good cut and perforation resistance.

The mitten is available in one size (size 11).

We recommend not to wash the mitten

Used palm-side materials:

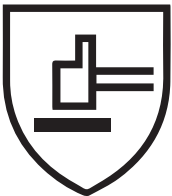

- Heavy-duty Para-aramid felt
- Light-duty Para-aramid felt

Used materials on the back:

- Heavy-duty Para-aramid felt
- Light-duty Para-aramid felt
